To

The Deputy Commissioner

Sir,

I have the honor to state that there is a very ancient Jain Mutt at Humcha in Nagar Taluk having a large number of disciples in Nagar and Sagar Talukas besides those in all parts of British Territory. A large number of Jains visit the place on pilgrimage and a Jatra is also annually held here.

2. The agent of the Mutt intends to build a Dharmasala for the High Caste and vegetarian Hindus at a large outlay besides the temple and mutt and prays for the free grant of granite stone measuring 550 cubic yards, to be removed from the adjoining

Outside

village of Honnebyle. The Amildar recommends the grant and submits a rough sketch of the building to be constructed.

3 The rate of royalty now levied in the Taluk is at 2 annas per cubic yard which comes to Rs 68-2-0

4. Similar concessions have been granted to Hindus and Christian Communities at Sagar as per Government order noted*.

5. I therefore recommend the free grant of the stone applied for.

I have the honor to be
Sir
Your most obedient Servant
